End-of year giving impact!

Last chance to make twice the financial impact this year! Again, we want you to know that we're currently receiving a **grant from the Covenant denomination matching every dollar we send in to our mortgage this year**. Meaning every dollar you give between now and December 31st (that's Friday!) will have double the impact!

Give online!

It's simple, fast, and secure!

New message series: *Questions*

Whether you're been a believer for years, or you don't know what you believe, you know you've got questions you've never been able to answer. How does that hinder your faith? Come back next week for the launch of our mini-series tackling the issue of questions!

Join a community group

If you're not part of a group, you are missing out! Community Groups are the heart of our church, where real, meaningful relationships grow through food, fun, fellowship, and study. This is where real church happens!
